Guest Speaker: - Dr. Jodi Magness
**Ancient Synagogues
in the Land of Israel**

The past will come alive as we leave our contemporary sanctuary and journey back in time to unearth worship in the past. In this slide-illustrated lecture, Dr. Magness will consider the origin and development of the synagogue, focusing on Roman period synagogues in the Land of Israel.

Dr. Magness holds a senior endowed chair in the Department of Religious Studies at the University of North Carolina at Chapel Hill: the Kenan Distinguished Professor for Teaching Excellence in Early Judaism.

Join us for this insightful and entertaining presentation.

Our teens have partnered with the AYFA Foundation to help the relief effort for Haiti.
